

# Computing Workstations

## Mobile Documentation & Teleconnectivity, Wall Mounts

### Documentation Workstations and Wall-Mount Computing

Capsa Healthcare provides an extensive portfolio of mobile computing carts and point-of-care wall mounts to optimize your patient IT program.

- Benefit nurse-patient interactions
- Mobile documentation workstations and space-saving wall arms accommodate laptops, tablets, all-in-one computers
- Lightweight, easy to maneuver
- From simple virtual care and documentation models to powered, comprehensive medication workstations
- Optional work-saving accessories

### Challenges Answered with Capsa Workstations

- Q:** Is a laptop or tablet hand-carried between exam rooms?
- Q:** Do you need to transport computer, supplies, and meds at the same time?
- Q:** Have you considered telepresence to connect patients with caregivers or family remotely?
- Q:** Are your wall computer arms bulky or do they interfere with patient care?
- Q:** Do you need slender-profile carts to fit tight environments?
